2.3. Current Status

Your current Status is: **SUBMITTED_TO_SAO**

The status is also very important. The system has certain rules based on the status that will determine who to contact in the event there is a question about the information. Please see the status categories listed below:

- **Not Started** – The Entity user has not uploaded, added or copied over any expenditures.
- **Started** – The Entity user has uploaded, added or copied over the previous year's expenditures for the current year.

- **SAO Reviewed** – SAO has or is performing a review prior to submitting to Audits.
- **Submitted to DOAA** – The expenditures have been submitted by SAO to the Department of Audits and Accounts for audit review.
- **DOAA Review** – A DOAA auditor has submitted expenditures to a supervisor for review.
- **Review Completed** – The DOAA reviewer has completed their review.
- **Entity Confirmation** – If adjustments were made to the submitted expenditures by the DOAA auditor, they will need to be reviewed by the Entity user to either "Accept or Deny".
- **SAO Finalization** – The expenditures have been sent to SAO and no further action is required.
- **Completed** – SAO has locked the records from any further editing which signals the end of the review process.

2.4. Quick Links

Each field has a letter label (a through i) to its right. At the bottom of the form is an "Explanation:" text area.

For ALNs with 6B marked as “No”, the sum of the amounts in boxes (e) and (f) would then be recorded in the Monetary Amt.

For ALNs with 6B marked as “Yes”, the sum of the amounts in boxes (d), (e) and (f) would then also be recorded in the Monetary Amt.

Note: (g) “Loans Repaid During the Year” needs to be completed in order to calculate the outstanding loan balance but does not impact the expenditures amount entered.

- The green flag icon means the record is **valid**.

- The red "x" icon allows the record to be **deleted**.
