RE: Mileage Rate Increase for Mid-Year 2026

DATE: August 5, 2026

Please make sure the information referenced in this memo is conveyed to appropriate staff in your organization.

The Official Code of Georgia Annotated (OCGA) Section 50-19-7 requires use of the United States General Services Administration (GSA) rates for mileage when State employees are reimbursed for use of a privately-owned vehicle on official travel. [The GSA](#) recently announced revised rates for mid-year 2026. The following rates are applicable to travel that occurs on or after August 1, 2026:

Tier 1 Rates:		
Automobile	\$ 0.76	per mile
Motorcycle	\$ 0.74	per mile
Airplane	\$ 1.935	per mile
Tier 2 Rate:		
	\$ 0.235	per mile

The mileage reimbursement rate policy has been updated on [SAO's website](#) to reflect the 2026 rates. Any agency not on the GA@WORK Travel & Expense will be responsible for updating their agency's travel expense form.

Any reimbursement of mileage claims paid to an employee in excess of rates published in the mileage reimbursement policy must be refunded to the State or characterized as taxable compensation to the employee.
