

Update on Replacement for Mobius/Luminist/ViewDirect system

Target Audience: ALL TEAMWORKS USERS

Subject: Important news about upcoming changes to the TeamWorks HCM and FSCM Report Repositories – Mobius/Luminist/ViewDirect system

As previously communicated, the **Mobius/Luminist/ViewDirect system will be replaced by the end of this year**. The TeamWorks Report Manager will become the report repository for both HCM and Financials reports by December 31, 2019. *NOTE: On demand reports previously available via Mobius/Luminist/ViewDirect will only be available through TeamWorks Report Manager.*

In preparation for using Report Manager as the report repository:

- The State Accounting Office (SAO) will conduct live demo and Q&A sessions to provide an opportunity to learn about using TeamWorks Report Manager. The schedule for these sessions, along with the latest updates, will be communicated via the methods outlined below:
 - SAO's website via the following path: [SAO Homepage](#) → [TeamWorks](#) → [TeamWorks Report Manager](#)
 - HCM News and Announcements page
 - Financials News and Announcements Page
- Agency Security Officers will receive a communication in September regarding security changes required for accessing TeamWorks reports. **IMPORTANT:** security access method for Mobius/Luminist/ViewDirect will **not** be brought forward. **EACH AGENCY'S INDIVIDUAL USERS' ACCESS WILL BE ESTABLISHED IN TEAMWORKS.** More details regarding access will be forthcoming.

Please share this communication with appropriate individuals in your organization.

For questions concerning this project, please contact the SAO Customer Service Center using the following information:
