Preparation for 2015

Year-end tax report titled TXxxx0103 (W-4 Exempt) will run on Thursday, **December 11, 2014**, and will be available by agency/business unit in InfoPac/ Document Direct. This report is sorted by Company, Mail Drop, and Employee Name. As discussed below, this report will assist department personnel with year-end tax reporting responsibilities.

W-4 Filing Reminders

*****Employees must file W-4 annually to continue “Exempt” Status*****

Employees must file a new W-4 form if they are making any changes to their withholding allowances, are claiming Exempt status, or if the employee changes their name with the Social Security Administration. The TXxxx0103 Report (W-4 Exempt) lists employees who claimed “Exempt” status from Federal Withholding Tax during tax year 2014. A new W-4 must be filed if the employees listed wish to continue claiming “Exempt” status from Federal Withholding Tax for the tax year 2015.

The deadline to continue with an EXEMPT status is **02/13/15**. Failure to submit a new W-4 will result in tax withholdings being set at the Internal Revenue Service mandated single and zero allowances. For those employees that do not file a new W-4, business units/agencies must set the single and zero allowance rates for the payroll period beginning on **02/16/15**.

Agencies should notify their employees of the consequences of not filing a new W-4 by the **2/13/15** deadline.

What should agencies do when entering the new W-4 in TeamWorks HCM?

- Access the Federal Tax Data page (Payroll for North America>Employee Pay Data> Tax Information> Update Employee Tax Data)
- Click on the plus (+) mark, add a new effective dated row beginning first day of payroll.
- Move the radio button from “Notification Sent” to “None” and SAVE.
