TeamWorks Travel & Expense has been experiencing issues which is preventing employees from accessing Concur. The impacted travelers include those new to the state, and/or travelers who are requesting their initial vendor ID#. We have Concur support working on the issue and will let you know when issue is resolved.

What can our agency do temporarily to accommodate these travelers?

Please process vouchers “outside” of Concur until issue is resolved. After the issue is resolved all travelers should return to using TeamWorks Travel & Expense.
