Step 3A: Enter Meals per Diem (Travel Allowance) – Multiple Day Per Diem	
Note: For additional instructions with screenshots regarding Travel Allowances please visit the How To Documents Section of the SAO website and select Meals-Travel Allowances.	

You cannot enter Single Day and Multiple Day Per Diem on the same Expense Report. If you have both, you will have to create a separate Expense Report for one or the other.

1	A Travel Allowance window opens: Will this report include meals per diem? Select Yes to enter them now or enter No to enter them later.
Note: If you selected no to entering Travel Allowance when you created the report, on an existing Expense Report select Details then select New Itinerary under Travel Allowance	
2	Select 1. Multiple Day Per Diem in Selection. Note: After making this election, you can only add Meals Per Diem associated with an overnight stay. Single day meals will need to go on a separate Expense Report.
3	Enter the location you left from in Departure City , the departure date in Date and the departure time in Time . You must enter am or pm.
3	Enter the first destination city (where you spent the night) for the first day in Arrival City , enter your arrival date in Date and arrival time in Time . You must enter am or pm. Click Save . This builds the first leg of your trip. Note: Departure date and arrival date must be on the same calendar day. The time is not used to calculate the Per Diem but you must enter it.
4	Repeat step 3 for each location you spent the night at if you changed locations.
5	Enter the return or final leg of your trip. The Departure City will default to your last stop. If this isn't correct, correct it.

	Enter the date in Date and the time you left in Time . You must enter am or pm.
Note: Overnight Per Diem rates are determined by <u>where you spent the night</u> . If you spent the night in more than one location you would have more than two legs to your itinerary. Enter one leg for each location you spent the night.	
6	Enter your arrival destination for the last day of travel which is likely home in Arrival City . Enter the date in Date and the time you arrived in Time . You must enter am or pm. Click Save .
7	Click Next
8	Click Next again
9	Check the box next to any meals (<i>breakfast, lunch, dinner</i>) that were provided for you. Click Create Expenses or Update Expenses.. A Fixed Meals entry will appear on your expense report for each allowable per diem.
Policy Note: <i>Multiple Per Diem Days: The Travel Allowance is calculated at 75% for 1st and last day of travel and 100% on days in between. Per diem rate is based on where you spend the night. If your hotel is in Pooler, GA but you were working in Savannah, GA Pooler, GA would be the final destination of the day. Departure and arrival time are not used in calculating the allowable Per Diem rate for Per Diem with an associated overnight stay but must be entered. Travel Incidentals are not included in In State or Out of State Per diem. However, they are included in International Per Diem.</i>
